CMAC is SMOKE FREE. All Dojo Directors, instructors, assistants, and students grading for Shodan or higher must be smoke free and remain smoke free. The excuse of a "life style choice" doesn't cut it - smoking is a drug addiction. A professional Martial Artist who smokes is a poor example to adults and children alike. Smoking has no place in a CMAC dojo.

As a student, if you smoke, see your Sensei for assistance to quit.

Only cash, interac, money order, or certified cheques made out to CMAC are accepted.
